

CLAIM FOR A MATERNITY BENEFIT

You're pregnant? Congratulations

All children must be given every opportunity from the day they are born. To support proud parents in this important responsibility, every child born **and residing in Flanders** is entitled to a “welcome-to-the-world” gift in the form of a starting amount.

Even when your child is not born, you can apply for maternity care. Via our quick **online tool** it is done in an instant. We will take care of a correct and fast handling of your request. Then you will receive the maternity allowance of KidsLife from the 8th month of your pregnancy!

Prefer to submit your application in writing? No problem! You can find this form in attachment.

IMPORTANT!

If, after checking with your bank, it appears that the account number indicated is not in your name, the family allowance fund will ask you to indicate another account number of which you are the owner or co-owner.

Why do we pay your child benefit on your bank account?

The deposit of your child benefit on a bank account is simple, safe and free.

Who completes this form?

The form must be completed by the recipient (usually the mother).

What kind of bank account?

Family allowances are paid only on a current account in your name or on a common account in your name and on, for example : your spouse or partner.

The payment of family allowances to a savings account, investment account, term account or the account of a third person, even if you are an agent, is not allowed.

KidsLife will check the data you have entered on the attached form with your bank. If your bank informs us that the financial account you have entered is not a current account or that

you are not the (co-) account holder, then the family allowance fund will ask you to provide another account number.

If you do not provide an account number, family benefits will be paid by means of a circular check.
