Payment of your Growth Package into a bank account

Dear sir/madam

We can arrange to deposit your Growth Package payments into a bank account if desired. This is safer, faster and usually cheaper than via circular cheque. You can ask your bank for more information.

The Growth Package **is paid to the person designated by the beneficiaries**. You decide jointly which bank account the Growth Package will be paid into. This can be a joint or sole account. If you are unable to agree, the Growth package will be paid to the youngest beneficiary.

You can inform us of the bank account number using the enclosed form. If you do not return the form, we will pay your Growth Package by cheque.

Have a question about your Growth Package? Then please don't hesitate to contact us. You can find our office contact details at kidslife.be

Yours sincerely

KidsLife
